SCHEDULE FOR ALLOTMENT OF FUNDS

Date	March 10, 2004	Amounts	\$1,000,000
------	----------------	---------	-------------

- B. The Contractor agrees to perform or have performed work as specified in paragraph A. above up to the point at which, if this contract is terminated pursuant to the Termination for Convenience of the Government clause of this contract, the total amount payable by the Government (including amounts payable for subcontracts and settlement costs) pursuant to paragraphs F. and G. of this clause would, in the exercise of reasonable judgment by the Contractor, approximate the total amount at the time allotted to the contract. - C. 1. It is contemplated that funds presently allotted to this contract will cover the work to be performed until March 9, 2004.
2. If funds allotted are considered by the Contractor to be inadequate to cover the work to be performed until that date, or an agreed date substituted for it, the Contractor shall notify the Contracting Officer in writing when within the next 60 days the work will reach a point at which, if the contract is terminated pursuant to the Termination for Convenience of the Government clause of this contract, the total amount payable by the Government (including amounts payable for subcontracts and settlement costs) pursuant to paragraphs F. and G. of this clause will approximate 75 percent of the total amount then allotted to the contract.
